Reflection by Issac Koh, Class 3D

“Band was one of the CCAs that caught my interest as I enjoy music. I have had many fruitful experiences, such as Singapore Youth Festival (SYF) 2021 and intra-school performances. SYF truly tested my determination and resilience, and I am proud to say that our Band did very well with the amount of time we were given to prepare. I hope that our Band will only reach greater heights in the future and that the future leaders of Band will always strive to do their best in managing the Band!”

Reflection by Kaylen Lee, Class 3D

“Joining Band was not something I expected myself to do when I entered secondary school. When I first joined, I was unsure about how I would fare in Band as I had no musical background. However, after spending a lot of time with my bandmates, I slowly started to enjoy Band more and more. I have made unforgettable bonds in Band and persevered through the hard times with the help of my bandmates. I would also like to take this opportunity to truly thank my teachers and conductors for giving me opportunities to let my leadership skills show.”
